COLOREYE - INDOOR

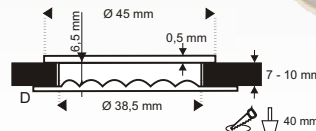

The colour changing Eyeled continuously changes across the full spectrum of colours from blue through to red and white.

A quick on/off at the switch allows one to select the Eyeled colour at that moment. Switching the COLOREYE off for more than 6 seconds resets the string.

POWERYEYE 180 & 360 - INDOOR

The powerful 1.4W Eyeled in two versions suitable for cabinet and stair lights as well as some general lighting applications
